

Donna Boyd, Cardiac Consultant

Donna Boyd is currently a sales consultant with Cardiac Solutions. She joined our team in May of 2016 to lead an innovative AED sales initiative. Donna leads our sales in recruiting new clients to Cardiac Solutions mainly in the education setting. Donna has demonstrated experience in sales growth and development, service excellence, and strategic planning to help schools provide funds for AED purchase.

Prior to joining Cardiac Solutions, Donna was a teacher/athletic trainer in the Hoover City School System. While in education Donna went above and beyond the call of duty to help students and faculty become the best they could be and excel beyond their own expectations. Donna has also been instrumental in developing and implementing learning and educational platforms for athletic training, administration and leadership development.

Donna holds a Bachelor of Science degree from the University of Alabama, a Master of Science degree from the University of North Alabama, and is a proud native Alabamian (Southern Belle). She currently lives in Birmingham, AL. She is surrounded by friends and family, and has two beautiful shih tzu' – Lucy and Ethel!
