

Jon Seale, CEO of Cardiac Solutions

Jon M. Seale is the Chief Executive Officer for Cardiac Solutions. Jon has been in this role since July 2013. He has over 20 years of experience in the healthcare industry.

Prior to Cardiac Solutions, Jon was the Director of Sales for Cardiac Science. As the Director of Sales Jon was responsible for the direct supervision, hiring and evaluations for all of North America. Other responsibilities included budgeting, forecasting, and implementing new strategic business strategies to meet corporate initiatives.

During Jon's tenure at Cardiac Science, Jon and his team created some of the largest AED (Automated External Defibrillator) programs that still exist today. Other management positions include: Regional Sales Manager at TriPath Imaging; TriPath Imaging is a medical diagnostics company that develops, manufactures and markets proprietary products for cytology and cancer cell diagnostics. Territory Sales Manager at GISH Biomedical. (now part of Sorin Group) GISH Biomedical designs and manufactures disposable medical devices for cardiovascular surgery.

The GISH product portfolio also includes targeted solutions for vascular access and orthopedics. Jon holds a BS degree from the University of Alabama in Public Relations, English, and a minor in marketing. Jon and his wife Kristie reside in Birmingham, AL with their daughter Sophia.
